Subject: Town Common committee member

Hi

I am the chair of the Town Common Committee. Today I had a conversation with Claudette Weissinger, who has been a member of the committee for many years. She has turned in an application to continue her membership, however has changed her mind. Since I shared with her that we have a few new members on the committee, she admitted that due to other obligations she would rather not continue as a member. I asked her to let your office know of this, and this note is written to let you know I am aware of the change. Please remove her application from the Town Council agenda.

Thank you,
Ruth Sears
