To the Honorable Members of the Council,

I have had a fulfilling and wonderful experience serving the town of Portsmouth. Accordingly, it is with a bittersweet sentiment that I'm writing to inform you of my planned departure. Please accept this letter as my formal resignation from the Portsmouth Economic Development Committee, effective to coincide with the end of my term, on July 11th, 2019.

I will soon be moving to Washington D.C., where I've accepted an opportunity to pursue a master's degree at Georgetown University. There, in the nation's capital, I plan to continue a career of service that I'm proud to have started here, in my hometown.

I wish the town continuing success in its endeavors,

Warmly;

X 

Justin B. Perry
Chair, P.E.D.C.
