"Helping to better the lives of others is the greatest of all achievements."
Alan Shawn Feinstein

Mr. Alan Shawn Feinstein founded the Feinstein Foundation in 1991. Hathaway Elementary School is proud to be a Feinstein Leadership School dedicated to alleviate hunger, the importance of community service and the values of caring, compassion, and brotherhood.

As Feinstein Jr. Scholars, our students perform good deeds and acts of kindness to better our community and help others all year long. Please visit www.feinsteinfoundation.org for more information about the wonderful Feinstein Family Foundation and ways your whole family can donate time and talent to help others in need.

Feinstein Good Deeds

Mr. Feinstein’s powerful message about caring and the importance of doing good deeds continues to have an impact in our school and our communities. Our students have recorded almost 1200 Good Deeds! Every month several good deeds are selected from each classroom and sent to Mr. Feinstein. He reads several during his weekly television show, chosen from Good Deeds sent in from the students throughout Rhode Island. Tune in to “Our Great Kids!” show on Saturday and Sunday at 10:00 a.m. on PBS 36 and Cox 8. Your Good Deed may be read!

Mairin C., Kindergarten, “I helped my mom put the groceries away all by myself.”
Abigail Z., Grade 1, “I helped my brother with his speech and learning his colors.”
Alex G., Grade 2, “I help cats at the Potter League. I play with the cats and kittens and get them used to people so they can get adopted.”
Cayden M., Grade 3, “I sweaped the house for my mom because her back hurt a lot.”

Socktober!

Our Hathaway Feinstein Junior Scholars collected over 200 pairs of socks to keep toes toasty warm in our community! The socks were donated to local families, Lucy’s Hearth, and St. Barnabas Church.

Great Job kids!
Our Feinstein Holiday Food Drive

Our Annual Feinstein Holiday Food Drive was a HUGE SUCCESS!!!

We collected over 2,000 non-perishable food items during the month of November. Hathaway School partnered with Clements Market, our local grocery store, who set up a donation box at their store. Shoppers' generous food donations were greatly appreciated.

Over 50 Holiday food baskets were distributed to Hathaway families in need for Thanksgiving and the winter holidays. Surplus items were donated to local food pantries. We helped our community AND earned $1 per item from the Feinstein Foundation. Thank you Junior Feinstein Scholars and families for your generous support.

We all make a difference TOGETHER!
Go Project Purple!

Hathaway students participated in "Project Purple," a nonprofit organization founded by former NBA player Chris Herren to help individuals and families struggling with addiction.

Students crafted a banner together, writing their name and one adjective that best described themselves. Principal Little read inspiring messages throughout the week and students listened to encouraging stories. We stand together to celebrate life, support one another in making good choices, be our best selves, and help others!

Feinstein Holiday Giving Tree!

Families had the opportunity to choose an item from our Feinstein Giving Tree on display at the Holiday Hullabaloo.

The presents and gift cards purchased were distributed to families in need in our community.
