

# The Glen Park Working Committee

## Volunteer Opportunities at Glen Park 2008

Status Report  
as of March, 2008

Wash down the exterior of Restroom building with mold/algae control product. Evaluate if painting is required.

Wash down the Secretary's booth with mold/algae control product. Make repairs and paint.

Wash down the Country Store booth with mold/algae control product.

Wash down small shed near Mutt Mitt stand with mold/algae control product. Needs new roof shingles and some carpentry repairs. This shed is designated #3 priority.

Paint the main gate – has  
Committee Member Ross

**COMPLETED**

Prepare lower Pavilion section – paint. (Upper part may need professional help.)

Repair and paint Riding Ring. [A significant donation from the Aquidneck Island Horseman's Association has been pledged.] We need help with the painting. Help is needed on replacing 6 to 8 posts.

Trim bushes around flagpole.

Refurbish the flagpole.  
Friend of the Park.]

**COMPLETED**

Trim bushes around the 4-H building.

Rake leaves where needed – a good Fall project for the younger volunteers.

Pick up stones; put back in walls.

Pick up branches and litter (ongoing).

Wall repair (small sections – experienced volunteers are needed for this project). This would be a good opportunity for a wall building / repair workshop.

Repair roof support on the long shed near cow stall –done; left side doors – done; right side doors need to be repaired; paint needed for 3 sides.

Repair cow stalls. Wood needs paint.

Cut bittersweet vines from base of park trees.

#1 Priority – replace the exterior  
kitchen

**COMPLETED**
