**Subject:** Agenda Item request for January 14th Meeting

Dear Clerk West:

It has come to my attention that two individuals to whom I am related have applied to be appointed to the Charter Review Committee, namely, Mark Katzman and Jhodi Redlich. Pursuant to Town of Portsmouth Resolution # 2006-01-23, Special Rules of Order of the Portsmouth Town Council, I ask that you place their names for consideration as a separate agenda item for the January 14th meeting, separate from all other Charter Review Committee applicants so that I can recuse myself from discussing or voting on their appointment, without having to recuse myself from participating in the agenda item for all other applicants.

In a separate email, I will be sending to you, the council president and the ethics commission my recusal form as appropriate.

Thank you.

Best regards,  
Len Katzman
