

21 December 2018

Dear Mr. Perry,

Please accept this letter as notification of my resignation and request to be removed from the Portsmouth Economic Development Committee (PEDC) effective 31 December 2018. I have enjoyed my brief time on the PEDC and hope I have provided some value to the mission and operation of this Committee. It is my intent to take up other volunteer civic opportunities. I do not believe I would be able to dedicate the time necessary to be a contributing PEDC member, this resignation being the result of that personal calculation.

I wish you and the PEDC continued success.

Respectfully,

Benjamin Furriel
