Re: Request for outdoor liquor and vitiating license

Greeting Town Council;

Recently we have completed some renovations to our outdoor patio area which is fenced in with an eight-foot fence and is 43 X 28 for a total of 1204 S.F. It includes new lighting, pavers, paint and new stairs leading from a new double push handle door leading from my establishment. I would like to extend my liquor license and vitiating license to include this area which is now ready. This will include new tables and chairs for outdoor seating replacing the old picnic tables that are presently there. The former owner used this area for the same purposes. I am requesting that you approve this request and advertise as required.

Please let me know what else you may require, and I will furnish immediately as time is imperative to take advantage of the season. I can be reached at 401-864-6775 and/or karlwn\_02842@yahoo.com. You may also call John W. Nelson III, VP at 401-619-4588 and/or jwn3rd@gmail.com.

Thank you,
