The Honorable Town Council
Portsmouth RI 02871

Members of the Town Council:

I have been informed that my membership on the Portsmouth Tree Commission has expired. I have been a member since the Commission was formed in 2005 (I believe) and I would appreciate be re-appointed.

Trees are a very important passion of mine and they are a great asset to our town. Therefore I wish to continue working on the Tree Commission.

Thank you for your consideration.
