Hi Richard,

On behalf of countless volunteers, staff, our Board of Directors, and the unspoken voice of our environment, we sincerely thank the Town of Portsmouth for the grant awarded on 7/9/2019 in the amount of \$2000 for civic support of Portsmouth. We are grateful for the funding to support our work to improve ocean health, and we look forward to working together into the future.

It is our aspiration to maintain the grass roots culture with an ever-expanding group of like-minded folks and impactful primary programs that focus on: eliminating marine debris from the shoreline (CLEAN), improving water quality (OCEAN) and working to protect, preserve and maintain shoreline access (ACCESS). Our programs also include a broader outreach of youth development, education, and social community events. Your contribution makes our mission a reality.

In accordance with IRS regulations, Clean Ocean Access (Tax Identification Number 46-4894628) acknowledges this grant, and we look forward to proudly sharing "Town of Portsmouth" on our 2019 Annual Report.

Thank you again for your support of our mission!

Sincerely,

Dave McLaughlin
Executive Director
