I wanted to let you know that I am resigning from the JHB. This is due to a personal conflict of interest that has occurred. I appreciate all of the efforts by the members on the board and the officers involved. I apologize if this causes any inconvenience to the board members. I have notified the town and Detective Goyette.

I wish you all the best and firmly believe that the board can help the youth and families of our area.

Keep up the good work and make a difference!

Please reach out to me if you have any questions.

Sincerely,

**Ralph Craft**
