Mike,

Thank you for the note. We discussed this at the last meeting and completely understand. I just looked it up, you've served on the SWRC since 2/13/12!

The meetings certainly have not been the same without your energy and I hope that I can continue to lead the SWRC in a way that we can address our shared desires for a greener community and simultaneously a lower overall cost of living for all residents.

The next step in the formal resignation is forwarding this e-mail thread to the Town Clerk, Jennifer West "Jennifer M. West" <jwest@portsmouthri.com>, and you can put me on cc:. Another option is mailing a formal letter to the Town Clerk at 2200 East Main Road.

The Town Clerk then puts the resignation on the Town Council agenda and the Town Council will take a procedural vote and will certainly note that your resignation with accepted with regrets. It is not currently known when the Town Council will meet next so we still have you until then! :o)

I hope to see you around Town at some point.

Best regards,
Ted

I'm sorry to say but I'm giving up my seat on the committee as other commitments are taking up much of my time. I feel that since I can't devote the time necessary it's the proper thing to do. I wish to thank you all for the privilege of serving on this committee. The progress we have made towards

making Portsmouth a greener community is vital and it is my hope that you will continue to make a difference for us all.
