Subject: [*EXTERNAL*] Regarding shed variance for 53 Baker road

My name is Amanda Carr of 42 Baker Road, Portsmouth RI.
I am writing regarding a variance for a shed for 53 Baker Road
Andy Dasilva/Paula Loscocco

I share a property line with 53 Baker Road
I would most directly be affected by any structure on that property, as our yards run directly into each other with no line of sight impediments . i.e.. no trees or fencing between houses.

I fully support granting a variance for a new shed with the proposed dimensions.

Everyone on Baker Road has sheds (much larger sheds) on the street side of Baker Road.
The street side is considered the BACK yard and the water side is considered the front yard

Therefore, all the sheds in this neighborhood are in the Back Yards (street side)

We have a shed on the street side
And the neighbors who share a property line on the other side of 53 Baker Road (Bartlett) have a large 13 x 9 shed.

The lots on Baker Road are narrow and long, therefore this is the only place for out buildings such as garages and sheds.

As the proposed shed in on the street side, it will not impede either abutting neighbors view.

Please feel free to contact me if you require any further information.

Sincerely

Amanda Carr

Subject: [*EXTERNAL*] Note of support for petition of Paula Loscocco, et al to locate a shed in their rear yard

William K. Collins and Darlene K. Collins of 37 Baker Road in Portsmouth have no objection to, and fully support, the petition of Paula Loscocco, et al to locate a 10' by 12' shed in their rear yard.

Thank you.

Subject: [*EXTERNAL*] Support of Baker Road variance: DaSilva

Good morning,

Please render this email as support of a variance request from Andy DaSilva and Paula Loscocco of Baker Rd for placement of a shed in an area on their property between their house and Baker Rd. The DaSilva's take immaculate care of their property and allowing this variance will afford them to continue to do so.

Thank you for your support of this request in advance.
