

from the desk of  
**Susan Panaggio**

July 10, 2020

To Whom It May Concern:

"Neighborhoods are for  
Neighbors."

I just have to say: my  
neighbors and I myself are  
once again frustrated that we  
have to put up with increased  
traffic, speeding cars, wrong-way  
drivers, public drinking etc, etc,  
etc.

Thanks for listening (or reading).

Susan Panaggio
