**Cease and Desist Order**

Dear Mr. and Mrs. Williams:

Under the regulations of the Rhode Island Coastal Resources Management Program (RICRMP), any construction, grading, or filling activities or other alterations within 200 feet of coastal feature associated with tidal waters or coastal ponds of the state or in CRMC's freshwater wetlands in the vicinity of the coast jurisdiction, requires plans for the proposed work be submitted to the Coastal Resources Management Council (CRMC) for review, evaluation, and comment prior to the proposed activity. Failure to do so is a violation of the RICRMP. After evaluation of the plans by CRMC staff, their comments and the requirements for the proposed activities are forwarded to the applicant.

It has come to the attention of the CRMC that you or your agent have installed a walkover structure on the coastal feature at your property located at Plat 11, Lot 10, 0 Porters Lane, Portsmouth without benefit of a CRMC assent or in violation of a Council order.

This activity is in violation of the Rhode Island Coastal Resources Management Program. You are hereby issued a Cease and Desist Order Number 20-0245, dated October 22, 2020, and ordered to remove the structure in its entirety from the coastal feature and any area within 200 feet of the coastal feature by November 12, 2020.

Failure to comply with this order shall be a violation of a duly adopted Council regulation, and subject to all fines and penalties established by law. Each day of noncompliance shall be deemed a separate and distinct violation in accordance with Section 46-23-7, G.L.R.I.

Sincerely yours,

  
Laura Miguel, Enforcement  
Coastal Resources Management Council
