West Side Development Advisory Committee
Portsmouth, RI 02871

November 23, 2020

Subject: West Side Development Advisory Committee.

Tom,

I will not be submitting an application to renew my membership.

The years I have spent on the reuse of the West Side have been most enjoyable. Working with Portsmouth committed volunteers over the years has been very rewarding.

I wish you and the WSDAC membership an active and productive future.

Sincerely,

Keith C. Humphreys
