Your Honorable Council:

I am requesting approval to limit the number of beach stickers allowed per family/address to 2 stickers. Historically, there has not been a limit to the number of stickers issued. The issue of limitation became apparent last season. Due to Town Hall being closed to the public, the Clerk's Office mailed beach stickers to residents and that provided an extra expense to the Town as multiple mailings were made to the same address. Limiting beach stickers in each household will also allow a greater number of Portsmouth residents to enter the beach.

Thank you for your consideration.

Respectfully,

Wendy Bulk
Director of Parks and Recreation
