Description and Comments:

This Maintenance Work Order was prepared to complete the following:

- Install stop signs on all side streets;
- Remove existing speed limit signs and install new speed limit signs spaced appropriately;
- Decommission existing "School Zone 20 MPH" signs at Selina Lane and Glen Meade Drive;
- Install advance warning signs ahead of intersections and signals;
- Install stop signs and supplemental stop signs on Sherwood Drive and the driveway from 1676 East Main Road;
- Install No Standing Any Time signs on East Main Road (Route 138) southbound at Glen Road and Sherwood Road;
- Remove existing chevrons at the curve at Vanderbilt Lane;
- Remove existing "End School Zone" signage at Selina Lane and Glen Meade Drive;
- Install "Do Not Block Intersection" signage at Turnpike Avenue.

Note: All exposed breakaway sign posts shall be removed within the limits of the work order.
